FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Section 627.092, F.S., creates the position of Workers' Compensation Administrator within the Office of Insurance Regulation (OIR) to monitor insurance company compliance in workers' compensation. The OIR does not currently have an employee designated as the Workers' Compensation Administrator. Additionally, the Bureau of Monitoring and Audit within the Division of Workers' Compensation in the Department of Financial Services is responsible for overall monitoring and auditing of the performance of workers' compensation insurance companies. The OIR's responsibility in workers' compensation is primarily to review and approve workers' compensation rates.

This bill repeals s. 627.092, F.S., because the OIR does not have an employee designated as the Workers' Compensation Administrator and does not have primary responsibility for monitoring insurance company compliance with workers' compensation laws.
